

Voluntary Chronic Wasting Disease Testing in Disease Management Area 2

Hunters who are successful on any day of the deer hunting season in Loudoun, Fauquier, Rappahannock, Page, Madison, Orange, or Culpeper counties are encouraged to voluntarily get their deer tested for chronic wasting disease (CWD) by bringing it to a CWD deer head drop site.

Instructions for Voluntary Submissions of Deer Heads for CWD Testing

1. Bring the head and at least 3 inches of neck to a CWD deer head drop site.
 - a. Heads with the antlers and/or skull plate removed can still be tested.
2. Heads should be as fresh as possible (i.e., submitted a few days after death and kept cold prior to submission).
3. If you plan to mount the head, submit the head and 3 inches of neck after capping is complete.
4. Fill out the data card per instructions posted at the CWD deer head drop site.
